AktiFul Project

Inspired by the recent student-led revolution in Bangladesh, I have created AktiFul, a project that focuses on delivering technology, knowledge solutions, funding, and sponsorship opportunities for Bangladeshi youth.

People to Contact

Once the project has a deliverable ready for public use, I want to contact some of the student organizers and also some other people who have caught my eye, including:

1. Student co-ordinators
2. Sohel Taj - seems like a nice guy!

334 days 13 hrs ago

US Campaign Ideas

1. NYC Time Square Advertising Campaign
2. Writing unique letters (AI-powered) that can be signed and sent to public representatives in US/BD
3. T-shirt campaigns for fund raising
