AI REVIEW PASSED.

Socratic

Get unstuck.
Learn better.

Download on the App Store

GET IT ON Google Play

Works for all subjects

Socratic was built to support Science, Math, Literature, Social Studies, and more.

Fiction Drama Poetry

Algebra Geometry Trigonometry

The advertisement features a smartphone displaying a math problem: $2x + 4y = 8$ and $x + 2y = 4$. Below the phone, there are icons for various subjects: Fiction, Drama, Poetry, Algebra, Geometry, and Trigonometry. The background is a light purple gradient.

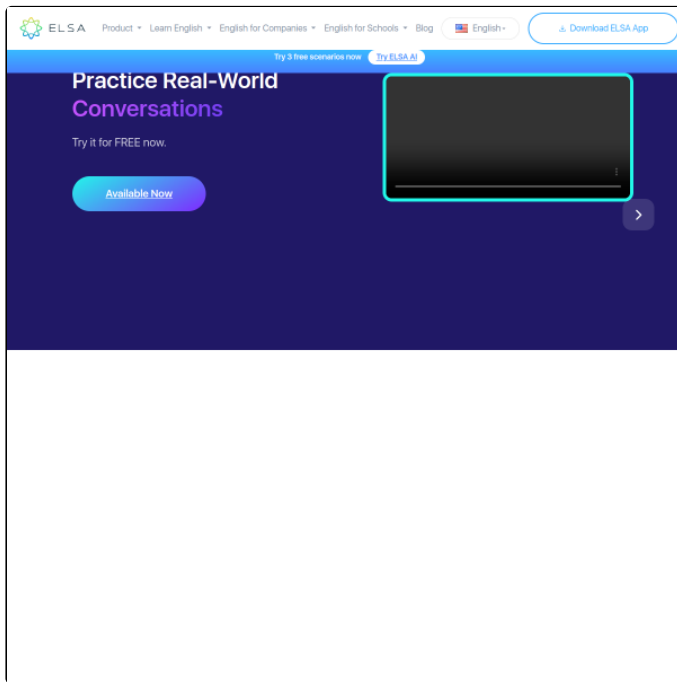

Socratic – Your Personalized Learning Companion

Socratic is an innovative educational platform that offers personalized learning experiences, providing students and learners with instant support, step-by-step solutions, and access to a vast knowledge base.
