## Subscriber Reward System

We need a way to allow users to reward their subscribers.

Allow user to give subscribers rewards for:

- joining as a subscriber
- being an engaged subscriber
- being a long term subscriber

Allow user to randomly select 1 or more subscribers for a giveaway.

## Collection of Notes

We need a way to put together a collection of notes so that we can share a single link to the collection.  
ShowNote creator should be able to order the notes in the collection,

## Merge Two ShowNotes

The ability to merge a note with another would be great. Sometimes, I start multiple notes on the same topic and would love to merge all of them into one big ShowNote.
