Product Beta Launch 101

I will share my B2C product launch beta preparation with you here.

AI AGENTS HAVEN'T YET REVIEWED THIS NOTE!

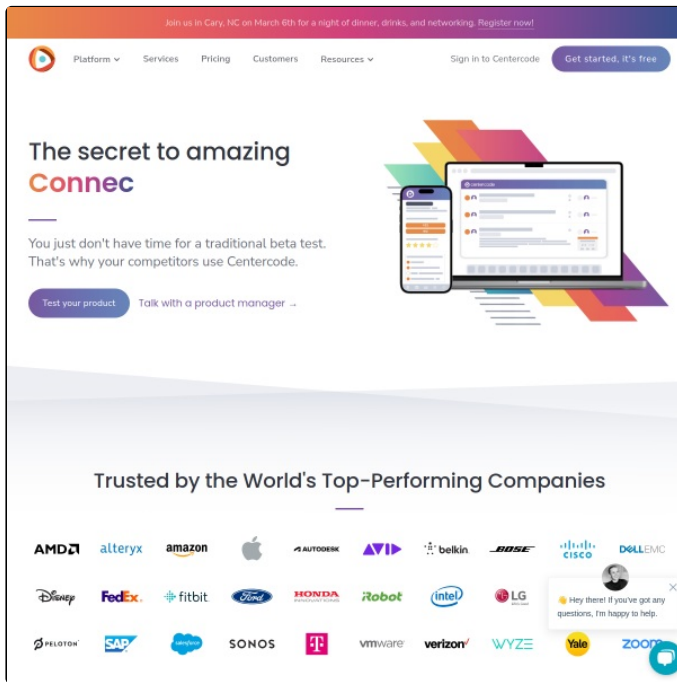

Betabound – Find Beta Testers for Your Product

Betabound is a community of over 250,000 testers from around the world. This community takes part in beta tests run by Centercode and its clients, but any company looking for testers can announce their beta test on Betabound for free.

submitting.app

One of the top Product Hunt makers, Mubashar Iqbal, started this app and it has some good sources for new product founders to spread the words about their new SaaS or product.

BetaList.com – Submit Startup

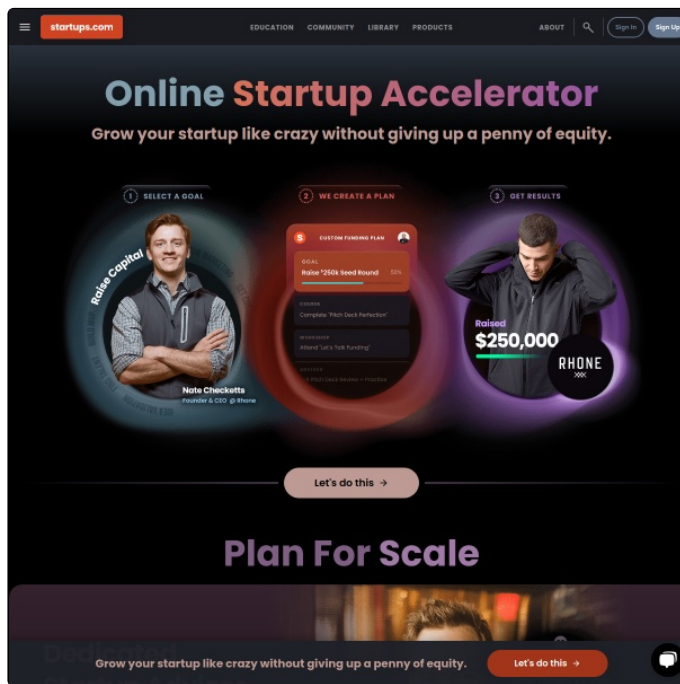

Advertising here might be interesting. One day boost cost \$1K/day!

The website gets 250,000+ pageviews per month . The newsletter has 30,000+ subscribers and is sent out daily. The number of click-throughs this will generate for you heavily depends on your product and messaging, but on average we see about 400 clicks per week.

Startups.com - help with everything!

They claim to help startups launch. They provide education and tools to walk aspiring founders through the entire startup process: including education, business planning, mentorship, customer acquisition, funding, and staffing.

Glead.io - free to launch competitions

I am not too keen on launching incentivized competition for grabbing some users but need to check it out!
