Macro Photography with Sony A7R V

I am very interested in macro photography and here you will find my research on this topic.

AI REVIEW PASSED.

Focus Stacking - the macro photographing technique

140 days ago

Sony a7R V Focus Bracketing

I am planning to use Sony A7R V for the macro photography.

Here is a video that shows focus stacking feature of the camera while using a macro lens:

Lens used can be found on [Amazon.com](https://www.amazon.com).

Here is a video that shows how to use focus stacking without a macro lens:
