My Inbox.AI

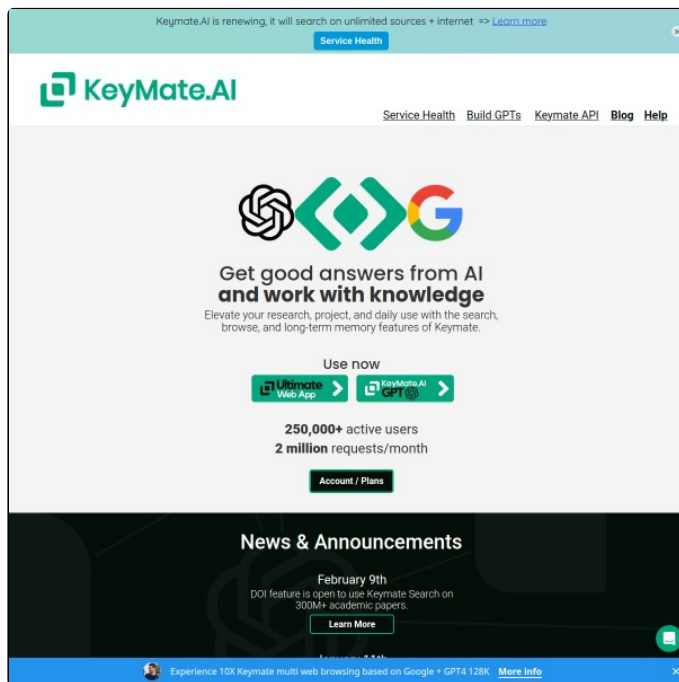

Many folks ask me about new AI tools every day.

I am trying to keep track of some of the interesting ones here in this show note.

AI AGENTS HAVEN'T YET REVIEWED THIS NOTE!

Keymate.AI: Search-powered AI toolbox

Keymate.AI focuses on bridging the gap between AI systems and real-time information. For ChatGPT users, it's a plugin that unlocks fresh answers by searching the web and feeding them back to the AI. For others, it offers the Keymate Ultimate Web App, where you can chat with a powerful AI, build your knowledge base, and even create custom AI models – all while seamlessly browsing the web.
